**1. Mission.** The 303d Intelligence Squadron (303 IS) defends the interests of the United States by conducting information warfare operations and providing quality intelligence support, products, and services to theater warfighters, sister services, national decisionmakers, and consumers on Korea.

**2. Command.** The 303 IS Commander:

- 2.1. Is responsible to the Commander, HQ 692d Intelligence Group for administration and effectiveness ratings.
- 2.2. Serves on the staff of HQ 607th Air Intelligence Group under operational control of HQ Seventh Air Force (HQ 7 AF).
- 2.3. Is authorized direct communication with the Director, National Security Agency, on technical support matters, with the host Air Force unit on AFI 25-201 matters, and with Air Force units and other service cryptologic elements providing operations support to the unit's mission.

**3. Responsibilities.** The 303 IS:

- 3.1. Processes time-critical combat information for the United States and allied battle managers, unified and specified commands, and National Command Authorities.
- 3.2. Provides sensitive communications support to operationally tasked United States aircraft.
- 3.3. Provides command and control (C2) protect, electronic combat training, and communications vulnerability assessments to US and Allied Forces to ensure information superiority.
- 3.4. Provides indications and warning, advisory support, secure communications, and information warfare support.

3.5. Performs all source analysis to identify adversaries critical C2 technologies and nodes for target nomination.

3.6. Interacts with and supports theater activities of the US Commander-in-Chief, Pacific; HQ Pacific Air Forces; HQ 7 AF; the Commander-in-Chief Pacific Fleet; the Joint Intelligence Center, Pacific; National Cryptologic, Pacific; and the US Forces, Korea.

MORGAN M. BECK
